# Police chief targets gangs

## Blames them in baby's murder

“There exists a real threat of retaliatory violence because the two killers and their motives for the shooting involve the long-standing feud between two notorious street

gangs — the Nortenos and Surenos,” said Davis in a letter to the city’s residents.

The victim’s parents, Ivonne Garcia Lopez and Oscar Jimenez, were

wounded in the June 5 shooting, which occurred as they were taking a shower on Wisteria Lane. Their infant son, Izack Jesus, was shot in the head and later died at Sutter Hospital.

Fabian Zaragoza, 17, was also wounded. [See GANGS, Page 1]
